

Hello Everyone,

Once again, I hope that everyone's week is off to a great start. Here is my recommendation for where you should be this week:

Monday - Finish [Exercise: Navbar and Breadcrumbs](#).

Tuesday – Finish [Exercise: Buttons](#). Watch the [Introduction to your Portfolio Project](#) by the end of today, or before.

Wednesday – Finish [Exercise: Forms](#). Read the [Portfolio Project: Instructions](#) and begin working on your initial report by the end of today, or before.

Thursday – Finish [Exercise: Images and Media](#). Continue working on your Portfolio Project report.

Friday – Finish [Code Challenge](#) and [Quiz](#). Also, read the instructions for your [Week 2 Workshop Assignment](#) (but do not start it yet!) and get ready for the in-person workshop.

Be sure to work on your Portfolio Project initial report throughout the week. Don't start at the last minute!

Please reach out to me if you need any help.

I look forward to seeing everyone's progress!
