Hello lovely Developers!

Thank you to everyone who joined today's workshop, it was such a pleasure seeing everyone's progress on personal projects. Here are a few links to help gather assets and crop photos:

Free Stock Photos: <https://www.pexels.com/>Smart Photo Cropper: <https://croppola.com/>

Also, I attached the PowerPoint slides for you to re-review what we went over today.

Lastly, please make sure to have your workshop assignment turn in by Monday night. If you have any questions or concerns please don't hesitate to reach out.

Keep up the hard work, just one more week to go!

Have a wonderful weekend!

Best,
Crystal
